### Getting to the Heart of Faith:

**Sense and Nonsense on 'Assisted Dying':** An Assisted Dying Bill to legalise assisted suicide is currently before Parliament. There is often confusion about what 'assisted dying' means. The Bishops of England & Wales' briefing note explains simply and clearly what the issues are, and what the Church says. Copies of this short briefing note are available at the back of the Church or can be downloaded from [www.catholicnews.org.uk/assisted-suicide-information](http://www.catholicnews.org.uk/assisted-suicide-information).
