### **Speed Bump**

The Parish will be installing a speed bump next to the side of the Parish Hall in order to reduce the speed of cars coming out of the car park by the side of the hall entrance. It is important for the safety of the children, and elderly parishioners who walk round the car park. It is a blind spot where accidents are waiting to happen. We want to do something to prevent it. Please do support this intention by driving very slowly in the church car park.

The parish relies on the generosity and charity of the people to keep it going, and it is always appreciated for the wonderful commitments and loyalty people of St Hugh's Parish shown over the past years. We are very much a parish family and do whatever we can to keep the parish family going. Thank you for your support and generosity.
