News & Events

Parish Church Roof: We are coming to the end of the work. There are just tidying up on Tuesday and Wednesday in Easter week. Our sincere thanks to Joe Rudzki and City Hall Developments for doing the job so efficiently and considerably in the past few weeks. Thanks also to all the parishioners for being so understanding and patient over the car park. We are now looking into the possibility in widening the driveway by the Hall entrance to give us a bit more safety. However under the Council Planning Rule, no work on the hedgerow to be carried out between February to August (inclusive)

when nesting birds may be present. Please continue to be patient with the Parish Pastoral Council as we continue to improve the parish buildings and its surrounding.

Many thanks for all the Easter cards, greetings and gifts I received during this joyful time. I have always found the parish family caring and welcoming. May God Bless you all!!!!

Foundation Governors: are an integral part of the leadership and management of our Catholic schools and academies and make a substantial contribution to their success. Most people find being a governor to be highly rewarding. Across the Diocese we have a number of vacancies that we need to fill and we are inviting people to come forward who are willing to become Foundation Governors in our Catholic schools and academies. If you have the commitment and desire to become a governor now or in the near future we would be delighted to hear from you.

More information about being a governor is available from the Diocesan Education Service Governor Support Team, (01332 293833) or from the 'Governor Information' Section of the Diocesan Education Service website www.nottingham-des.org.uk where you will also find a 'Self-Nomination' form which we would encourage you to complete and return to us.
