Saint Benedict Celebrates Another Year of Record Breaking ALevel Results

There were lots of happy faces among our ALevel students on results day this year as they opened the dreaded envelopes!

It was another year of record breaking results with our pass rate rising to 99% and with the average grade per Alevel higher than ever before.

More students also achieved grades A*-B than ever before so both staff and students alike were delighted.

There were also some great individual success stories, for example Isobelle Vasko who achieved three grade As and who is off to Manchester to study History and Chris Wilkinson who overcame serious illness to achieve A*, B and C and who will be taking time out this year as part of Project Arusha. Please continue to pray for all of our students as they begin new challenges at University and in Higher level Apprenticeships.
